

Farmington Downtown Association

Welcome to Downtown Farmington!

We are the Farmington Downtown Association, a non-profit dedicated to uniting business, organizations and community in the interest of a vibrant downtown. Congratulations on your new venture here, and thank you for choosing Farmington to make it happen.

We proudly extend a complimentary membership to each new downtown business and organization. Thank you for joining our community!

Your membership entitles you to

- a voice at the table as we do the work that supports our business and professional community.
- a fully enabled and editable profile on our webpage. *The market value of your presence on a mobile-friendly, Search Engine Optimized website and your access to the platform well exceeds the cost of an FDA membership!*

And your sustained support allows the Farmington Downtown Association to

- organize business and community events like Summerfest and Ladies' Day Out
- provide the flowers and seasonal decorations that enhance our historic downtown's charm.
- maintain our web presence at downtownfarmington.com and our Facebook page.
- partner with fellow organizations to bring events and exposure to downtown Farmington.
- deepen our relationships with the tourism industry to bring bus tours to the downtown and new business to us all.

The Association meets the second Wednesday of each month at 8am at The Homestead. We would love to see you there, but attendance is not an obligation of membership. We look forward to working with you in the common interest of business, community, and a thriving Downtown Farmington!

Farmington Downtown Association

Yes! I believe in a vibrant downtown!

As a newcomer, my initial membership is at no cost to me!

It is difficult for me to attend meetings, but please contact me to help with

- Summerfest
- Ladies' Day Out
- Flowers and seasonal decorations
- Bus Tours
- behind the scenes work.
